Our mission is to show the care and compassion of Christ by equipping unhoused families in Franklin County with the resources they need to permanently exit homelessness.

As we reflect on the past quarter, we are filled with deep gratitude for your unwavering support for Life's River. Thanks to the generosity of our community, during the months of April - June, we have been able to provide housing for 20 individuals (6 adults/14 children). While at Life's River 5 of 6 adults obtained and maintain employment, all adults received weekly money management and budgeting education. Our community partners facilitated weekly Life Skills classes. We are grateful to our volunteers for filling in the gaps and supporting our residents.

Why I volunteer at Life's River:

"I believe that it's critical All children have a stable family life where they are provided for and learn how to grow into caring and contributing adults. Life's River gives parents that never learned these skills the opportunity to positively change their lives and the lives of their children." IR

"I volunteer at Life's River because I've been where they are. My mom was a single mom of 5 and we lived in a homeless shelter at one point." AS

"I volunteer at Life's River to share the love of Jesus and to bring hope & direction to ladies through Biblical teaching." CP

River of Hope Gala

December 2nd is Giving Tuesday, a global day dedicated to giving back. As you consider the causes that you want to fund this year, we invite you to partner with Life's River in its efforts to support unhoused families in our community and make an impact on generations to come.

Your generosity fuels our mission of providing temporary housing to families and give them the resources, life skills, and support to permanently exit homelessness.

At the River of Hope Gala, there will be dinner, drinks, silent auction, live auction, and Fund a Need. Tickets go on sale September 2nd with an online auction running the entire month of November. Scan the QR code for more information.
